1. Suspension/Debarment - It is the responsibility of all Offices, Bureaus, overseas contracting or commodity management officers, or any other USAID officer to report to the Office of the Inspector General (IG) all cases where there is a reason to believe that an individual or organization should be declared ineligible to receive government funds.
2. The Deputy Assistant Administrator for Management (DAA/M) is responsible for determining whether debarment or suspension is in the Government's interest.
